**JCI is an Equal Opportunity Employer/Service Provider
JCI is a not-for-profit, tax-exempt organization
Auxiliary Aids Available Upon Request**

High school students receive vocational training at local for-profit and not-for-profit businesses.

The OCS program is offered in collaboration with local County School Systems. High school students enrolled in the OCS Diploma Track and LSP Seniors are provided community-based vocational training and assistance with job search.

OCS Job Coaches work in community based sites preparing students for the world of work, as well as helping students earn 240 hours needed for graduation. Our coaches assist students with job placement or referrals to the Division of Vocational Rehabilitation.

Services Available for Students, Parents & School Personnel :

- **Assessment of student interests & career goals**
- **Development of work sites to enable students to further explore job interest and earn community-based vocational training hours**
- **On-the-job training with qualified coaches in community-based training sites and documentation of hours needed for graduation**
- **Referrals to other agencies to assist with competitive employment hours**
